

OGC Employee Schedule

Standard Weekly Schedule:

Jeremy Poole – Wednesday → Sunday

Dan Grant – Monday → Friday

Any exceptions to the above standard will be noted on this page as they occur. Please check back here any time you need to purchase birds, need access to a locked area, or simply need to speak with the person on call for a given day.

Calling ahead of time to set an appointment will ensure that someone will definitely be available to meet your needs.

*Please do **not** assume that one of us will be on site without first calling to check!*
